## Network Storage Enclosure EH-LC-PRO-35BN / USB 2.0 / RJ-45

### Features:

- High performance NDAS network storage device to be connected directly to a wired or wireless ethernet network switch or router
- Allows the sharing of data, music, photos, movies etc. for multiple users, for home or office use
- Usage of the storage device like a local disk drive
- Easy installation, no network TCP/IP configuration needed
- NDAS technology helps to prevent external internet intrusion
- Access key control for individual read/write privileges
- Solid aluminium body for excellent heat dissipation
- Supports any capacity of 3.5" SATA or PATA HDD
- Compatible to PC and Mac computers
- Supports USB 2.0/1.1 connection for single user
- LED indication of power and data access
- AC adaptor included

### System requirements:

- Windows or Macintosh computer (desktop or notebook) with USB port and network capability
- Operating system: Windows 2000/ME/XP/Vista/Server2003, Mac 10.2.8 to 10.4.x
- Pentium II/compatible or higher
- Certain network functionality can be limited with Mac OS

Stand included
